CHMSL (White /Green shown)

Keyless Wire Location

CHMSL / Third Brake Light Wiring

Years	Wire Color(s)
2019 +	White / Green

Location

Driver side kick panel / kick plate

Installer's Notes:

All wires should be tested prior to final hook up using computer safe tester. Make sure your body is grounded to the truck. Good ground point is the steel plate on the seat.

Keyless Entry Wiring

Years	Lock Wire Color(s)	Unlock Wire Color(s)
2019 +	Green/Dark Green	Violet / Green

Location

Driver side kick panel / kick plate

Installer's Notes:

All wires should be tested prior to final hook up. Test the lock wire first then the unlock wire by using computer safe tester. Make sure your body is grounded to the truck. Good ground point is the steel plate on the seat.
